Rev. 2-2017)

Law enforcement officers and agencies are frequently requested by schools, businesses, and community members for direction and presentations on what they should do if confronted with an active shooter event.

The Civilian Response to Active Shooter Events (CRASE) course, is designed and built on the Avoid, Deny, Defend strategy developed by ALERRT in 2004, provides strategies, guidance and a proven plan for surviving an active shooter event.

CRASE

Civilian Response to Active
Shooter Events

TRAINING

*How would you react in an
Active Shooter Event?*
