# OPERATION: STREET SMART ADULT GANG EDUCATION

*A New A.G.E*

This program is designed to educate parents, teachers, social workers, community partners, and anyone with a nexus to children about current gang trends, terminology, culture, and media influences. It includes a history of gangs, a breakdown of the different types of gangs and threat groups, and their criminal activities. Program participants will be able to better identify gang activity in their area, recognize its influences in their schools and community, and be empowered to help combat this growing problem.

The only way to combat our gang problem is through the education of our children, parents, schools, and community. The purpose of this program is to begin that process and open the lines of communication between our schools, communities, and law enforcement. Sheriff Scott invites you to take advantage of this program, which is provided free of charge in Franklin County and taught by certified gang instructors courtesy of your Franklin County Sheriff's Office and the Franklin County Commissioners.
