

Sheriff Dallas Baldwin

The Franklin County Sheriff's Office TRIAD/SALT (Seniors and Law Enforcement Together) program is a program designed to bridge the gap between senior citizens and law enforcement.

When seniors and law enforcement work together, we address issues and concerns that involve crime prevention and safety issues regarding our growing population of seniors.

Franklin County has teamed up with the National Association of Triads: a partnership of three organizations: law enforcement, older adults and community groups.

Our Mission

The mission of S.A.L.T. is to make seniors more aware of the crimes that they could become victims of due to the high level of trust they have for anyone they may meet in the public.

Decrease crime against seniors and help seniors not to be in fear of crime.

WHAT TRIADS DO

- Educate: by sponsoring crime prevention and public education for older adults.
- Assist: by recruiting and training volunteers to assist police departments, sheriff's offices and other agencies.
- Support: by identifying community resources and providing referrals to older persons to help reduce fear and lend moral support.
- Unite: by involving the older adult population, law enforcement, community agencies, and individuals to identify problem areas in their communities.
