OPERATION: STREET SMART

ADULT DRUG EDUCATION

PRESENTED BY THE
FRANKLIN COUNTY SHERIFF'S OFFICE

OPERATION STREET SMART ADULT DRUG EDUCATION

This program is designed to educate parents, teachers, social workers, community partners, and anyone with a nexus to children about current drug trends, terminology, and paraphernalia. Our officers work hard in the schools to help your children make the right decisions and say no to drugs, but parents are often left out of the loop.

Our goal is to arm parents and teachers with the information necessary to recognize the influences of the drug culture on their children, familiarize them with the many different drugs our children face, and share with them the experience and knowledge of undercover narcotics officers so they are better prepared to help their children make the right choices.
