

Walk-In Retailer

Keefe is partnered with CashPayToday, a leading payment technology company automating cash transactions via its network of over 75,000 national and regional retailers in the U.S. These locations will accept cash transactions on behalf of Keefe. The locations include Walmart – Available at Service Desk or Money Center, CVS, Walgreens, 7-Eleven, Dollar General, Family Dollar stores and others.

These national retailers align with the demographics of our customer base. Our customers are already shopping at these stores making it very convenient way to make a payment or deposit for your agency.

Convenience Like No Other Provider

Customers have the choice to get their CashPayToday account information right on their smart phone or mailed to their address. Consumers love the convenience of the smart phone option because they always have their phone with them. In addition, it provides a real-time retailer location map based on their GPS along with transaction history and an account bar code to send money quick. Also, there is no need to tell the cashier what you are sending the money for. They just know it is being sent to Access Corrections!
